

## EXCLUSIVE AUCTIONS: ARLANXEO

To participate in the exclusive ARLANXEO auctions, you must go through a specific approval process. To ensure the integrity of the auction, all bidders must be approved by the auction committee. This process involves several important steps, which you can read below. Please follow these steps carefully to gain access to this unique auction and have the opportunity to bid on the offered lots.

### How to participate?

Follow these steps to participate in our exclusive ARLANXEO auctions:

- 1. Register a free account**  
Sign up at Auctim to create a free account and gain access to the auctions. Please note: Only professional accounts can access this auction. If you already have an account on auctim.com, you can skip this step.
- 2. Register as a bidder**  
To be able to bid on the lots in the ARLANXEO auctions, you must send an email to [arlanxeoauction@auctim.be](mailto:arlanxeoauction@auctim.be). Simply provide your client number, which can be found under 'My Auctim' on the website. Please note that we only communicate with the email address associated with your account.
- 3. Sign legally required documents**  
As part of the registration process for bidders in the ARLANXEO auctions, you will be required, due to the nature of the goods and applicable regulations, to sign an export document. This is necessary to obtain approval from the auction committee.
- 4. Start bidding!**  
Once your application has been approved, you will need to pay a deposit to confirm your participation in the auction. This deposit serves as a guarantee for your bids and allows you to bid on the selected lots. Only after the deposit has been received can you actively participate in the auction.

For any additional questions, feel free to contact the auction committee via [arlanxeoauction@auctim.be](mailto:arlanxeoauction@auctim.be).
