Additional information: This iconic Buick Super Eight from 1952 is a rare specimen that not only exudes charm and elegance, but also carries a piece of history with it. In 1959, none other than Audrey Hepburn drove this beautiful car through the historic city of Bruges during the Reiefeesten, giving this car a unique place in film and automotive history.

This classic car is in excellent condition, equipped with a fully custom stainless steel exhaust and stainless steel bumpers. The green exterior and gray fabric interior give the car an authentic, vintage look. It has only 51,609 miles on the odometer, and despite its age, it is ready to hit the road.

From a carefully maintained private collection, this is a chance to own a piece of automotive history. The car comes with a valid inspection certificate until 15/09/2025, and the keys are of course present. Whether you are a classic car enthusiast or are looking for a unique addition to your collection, this Buick Super Eight is ready for its next adventure.

Experience the charm of times gone by and drive the same car that Audrey Hepburn once sat in!
