	Item	Description	Start price
	1	<p>Quantity: 1 Product category: Pallet Motorola phones Additional information: The Motorola phones have not been examined for quantity, functionality and effectiveness. A brief visual inspection of the pallet has taken place and determined that the phones have been returned and in some cases returned with a statement of the reason for return. It is not excluded that the returned phones are completely or partially defective. This was not (further) investigated during the investigation. It is not excluded that other products (headphones or heart rate monitors) may be present among the phones on the pallet. The lot is offered in the condition in which it is. Buyers must bid carefully and confidently and accept the uncertainty regarding the contents of the lot. The lot is therefore offered including all good and bad chances. If you wish to view the pallet, you can send an e-mail prior to the auction with the request to make an appointment. The Distance Selling Act does not apply to the services of Auctim-Boonstra. The auction is a public auction. The right of withdrawal is excluded. Auctim-Boonstra acts exclusively as an intermediary on behalf of the client.
