	1	<p>Quantity: 1 Product category: Pellet stove Brand: Nordic Fire Model: Ilvar7 Colour black Additional information: 1st photo is purely indicative.</p> <p>With the popular Ilvar 7 pellet stove you can heat your living room with ease and comfort. The fan can be adjusted in different settings and can even be switched off completely. You can enjoy the beautiful flame effect without making any concessions in power. The reservoir of the Ilvar 7 is spacious, so you can burn for a long time without refilling.</p> <p>The Ilvar 7 is a sturdy stove with slightly curved side panels and a straight front. The steel side panels are available in different colors, you can choose black, white or bronze. Thanks to the cast iron door and top plate, the Ilvar 7 has the appearance you would expect from this pellet stove: a powerful heat source that comes into its own in both small and large rooms thanks to the adjustable power.</p> <p>Weight category: 50 to 100 kg Condition: New Lying in/on: EUR exchange pallet Location: B3</p>	100€

	11	<p>Quantity: 1 Product category: Pellet stove Brand: Nordic Fire Model: Viktor 8 Airplus Colour black Additional information: 1st photo is purely indicative.</p> <p>The Viktor 8 is a pellet stove that would not look out of place in any living room: a timeless design with a sleek finish. In addition to the cast iron heat exchanger, door and top plate, the Viktor 8 also has a cast iron convection grille. As a result, a large part of the pellet stove is made of cast iron and this provides an indestructible appearance.</p> <p><b>MODERN COMBUSTION TECHNOLOGY</b> Just like the other Nordic Fire pellet stoves, the Viktor 8 is also equipped with the new combustion</p>	100€

		<p>technology, which makes the fire even more beautiful and quieter. Another advantage of the new technology is that the ashes are continuously afterburned, which greatly reduces the amount of residual ashes.</p> <p>The Viktor 8 pellet stove is equipped with an extra large pellet hopper. The reservoir holds 20 kg of pellets, so you can easily fit an average bag of pellets in this stove in one go.</p> <p>Weight category: 50 to 100 kg Condition: New Lying in/on: EUR exchange pallet Location: B3</p>
