Traces of use according to age and mileage.
Come to the viewing day for your own assessment.

The car offered is a second-hand car, which is sold in its current condition, without any form of guarantee or claim for future use. Given the age and mileage of the vehicle, it may be in an outdated condition, and it is the responsibility of the buyer to thoroughly inspect the vehicle.

The buyer is expressly requested to be present on the viewing day to assess the vehicle.

By participating in the viewing day and/or considering the purchase of the vehicle, the buyer acknowledges that they accept the vehicle as it is, without any guarantee or responsibility of the seller for any defects or future problems. All information in the description must be checked by you during the viewing day for operation and presence. No possibility of complaints.
