Industrial Auction: CNC & Pultrusion Machines, Composites & Technology

DESCRIPTION

In this online auction we offer the complete machine park, workshop equipment and residual stock including:

- Pultrusion and pull-winding machines
- CNC processing machines
- Various compression machines and sawing machines
- Technical installations for composite processing
- Laboratory equipment
- Large quantities of semi-finished products and raw materials (including glass fibre, resins, pigments)
- Storage racks, workbenches and logistical aids
