Rough Emerald Auction

DESCRIPTION

This exclusive online auction features a vast collection of 109 lots of rough emeralds, originating from Brazil. The emeralds range from commercial to (near) gem quality, in sizes from melee to medium, with some larger pieces included.

The full collection weighs over 1,400 kilograms (1.4 tonnes), with individual lots ranging from 8,000 to 18,000 grams (approx. 40,000 to 90,000 carats). The stones are in raw, uncut form, partially embedded in matrix, with hues from light to deep green.
