Dufina Meat Products Company - Bankruptcy

DESCRIPTION

Following the bankruptcy of meat processor Dufina, its entire production infrastructure is being auctioned. For years, Dufina was known for its range of meat preparations and delicatessen products.

This auction includes industrial packaging lines from Multivac and GEA, slicers and portioning machines from Weber and Treif, cutters and mixers from Seydelmann, smokers and cooking cabinets, weighing and detection systems from Ishida, and a wide range of stainless steel equipment, transport, and storage systems.

This online auction is being organized under the supervision of bailiff K. Slabbaert in Antwerp.
