Chemistry & Pharmaceuticals – Process and Packaging Machines

DESCRIPTION

This online auction features various used industrial machinery and equipment from the chemical and pharmaceutical sectors. The offering includes a wide selection of process equipment and packaging machines, such as dosing machines, filling machines, mixers, emulsifiers, ovens, chillers, reverse osmosis systems, melters, pumps, and motors.

The lots include complete machines as well as associated parts and accessories. Several machines are equipped with control panels (e.g., Siemens/Pro-face).
