

## CATALOG

### Metalworking: lathes, milling machines & CNC

#### DESCRIPTION

Online auction of a varied range of metalworking machines and industrial accessories, sourced from professional workshops.

The offer includes:

Conventional lathes (La Mondiale, Yunnan - 750 mm to 1500 mm)

Lathes with digital display

Universal milling machines (Mondiale Viking)

CNC machine (Fadal)

Drilling presses (AB Arboga, Super Condor)

Hand press and file clamp

Printer toners and consumables

Laptop bags (new)

Machines are sold in "as is" condition, including visible accessories, without lifting or transport equipment on site. Viewing by appointment only through the organizer.

Please note: lots are located in various locations: Charleroi, Châtelineau, Dinant, and Tournai. This is indicated with each lot.
