		<p>KW with chimney - Stove protector - Steps - Stainless steel tension straps - Wooden benches - A wooden fence to safely separate the bench from the warm stove - A water drain valve to easily drain the hot tub. Wooden cover to cover the hot tub when not in use. Use and maintenance:</p> <ul style="list-style-type: none">- The hot tub can easily be assembled by one person. This takes about 6 hours.- A hard surface is most ideal for setting up. The hot tub can best be set up on a surface of loose stones, tiles or gravel.- The hot tub will leak for the first 3-5 days. This is normal. After 3-5 days, the wood will expand and the hot tub will be completely waterproof.- The hot tub can be used in both summer and winter.- Do not heat the hot tub when it is not in use. This can cause a possible fire and damage to the hot tub.- The heater may only be fired when the water level in the hot tub is at the right level. <p>Warranty: 1 year Condition: New Value: € 3,390.00</p>
